

A scenic photograph of a glamping site at sunset. Several white canvas tents are pitched on a green lawn. In the foreground, a circular gravel area contains a black metal fire pit and three log stumps. The sky is filled with soft, golden clouds, and the sun is low on the horizon, creating a warm, golden glow. Trees are visible in the background.

Terms & Conditions

Coolwa River Retreat · Effective 25 July 2026

We're so glad you're here. These terms help make sure every guest enjoys a safe, restful and respectful stay with us at Goolwa River Retreat. By confirming your booking, you acknowledge that you've read and agreed to the following.

1 • Reception & Check-In

Our reception is open daily from 9:00 am to 3:00 pm. On arrival, all guests must report to the office to sign in before heading to their tent. If you expect to arrive outside reception hours, please let us know in advance so we can make arrangements.

2 • Check-In & Check-Out Times

Check-in is from 3:00 pm, and check-out is by 11:00 am. On the morning of your departure, please ensure your tent is left clean and tidy, with rubbish placed in the bins provided. A late check-out may be possible on request — just ask us the day before.

3 • Personal Belongings

Please keep your valuables secure during your stay. Goolwa River Retreat does not accept responsibility for any belongings that are lost, stolen or damaged while on the property. We recommend keeping phones, wallets, keys and other valuables with you or stowed out of sight.

4 • Damage to Property

We take pride in our glamping tents and treat them with care, and we ask that you do too. Any loss or damage to our tents, fittings or property will be charged to the responsible guest. Accidents happen — if something does go wrong, please let us know straight away so we can sort it out together.

5 • Noise & Consideration for Others

In the interest of everyone enjoying a peaceful stay, we ask that excessive music is ceased by 11:00 pm. Music and conversation should not be audible to adjoining sites or neighbouring accommodation at any time. Offensive or disruptive behaviour will not be tolerated and may result in guests being asked to leave without refund.

6 • Smoking

Smoking is not permitted inside or near the tents. This includes cigarettes, vapes and e-cigarettes. If you do wish to smoke, please do so in the designated outdoor areas well away from the tents and other guests, and dispose of butts responsibly.

7 • Cooking

Cooking is not permitted inside the tents. The tents are fitted with battery lighting and soft furnishings, so any naked flame or heat source poses a serious fire risk. Please use the designated outdoor cooking areas provided.

8 • Shared Facilities

When using the shared bathrooms, please be considerate of other guests and leave facilities as you'd hope to find them. A few site-specific notes:

Showers run on tank water — please keep showers short so there's enough for everyone.

Toilets run on a septic system — please flush only toilet paper. No wipes, sanitary products or other items.

Tent lights are battery operated — please switch them off when not in use to conserve power.

9 • Acknowledgement

By staying with us, guests acknowledge that they have read, understood and agree to these Terms & Conditions. We're always happy to answer questions or help with anything during your stay — just pop in and see us at reception.

We hope you have a wonderful, restful stay at Goolwa River Retreat. — The Goolwa Glamping Team
